AL-ISTIFTAA

This book by the Promised Messiah (Peace be on him) in Arabic language was published as an epilogue to his Urdu publication Haqeeqa -tul- Wahee. In this book, he enquires from the Muslim religious scholars and the divines, their verdict about a person, (meaning himself in fact):

Who claims to have been sent by Allah the Almighty, and has absolute belief in the Holy Prophet (Peace and blessings of Allah be upon him) and the Holy Qur'an and follows all of their injunctions without any compromise. Also that Allah the Almighty has graced him with Divine revelation; and raised him to establish the glory of Islam and has shown many supra-natural miracles in his support and in proof of his truthfulness.

In this book, the Promised Messiah (Peace be on him) also mentions how his opponents who entered into a 'Mubalah' challenge with him suffered utter devastation and ruin as a manifestation of Divine wrath. One among them was Dr. Alexander Dowie, a famous Christian priest of the United States of America, who claimed himself to be 'Elijah' and had a large following. When he stood up and challenged the Promised Messiah (Peace be on him), he became the victim of Divine wrath and his fame and wealth all evaporated. He died a death of ignominy and poverty and there was no one to mourn him after his death.
